

## Jesus Leads: Servant | Feb 19, 2020

### Discussion Guide

#### The Scoop

If you aim to meet the needs of others, your needs will be more regularly met.

#### Key Verses

**Luke 6:38 (NIV)**

*"Give, and it will be given to you. You will have more than enough. It can be pushed down and shaken together and it will still run over as it is given to you. The way you give to others is the way you will receive in return."*

#### Discussion

Leadership has become a big part of our culture, unfortunately, the definition of leadership and the examples that we see don't always look the same.

1. How would you define leadership? What are some qualities of good leadership?
2. Who are some leaders that you admire? Who do you follow?

Jesus and leadership go hand in hand. The more that you learn about Jesus and his life, the more you see that he embodied nearly every trait of an ideal leader. As you continue to follow and grow in your faith, consider how impacting the lives of others might improve your own life.

3. Do you consider yourself a leader? Why or why not?
4. What are some actions that you have taken to lead those around you?

In Luke 6:38 the Bible tells us that "The way you give to others is the way you will receive in return." If we expect to see returns from those around us, we need to first give to those around us. Leaders serve first and benefit as a result.

5. Where are some opportunities that you can serve those in your life? How are you giving of yourself to others around you?
6. Does Jesus's definition of leadership match yours? What are some ways that you can model your life after the leadership lessons of Jesus?

#### What's Next?

Remember, leadership is at its core impacting and influencing the lives of those around you. The more you aim to meet the needs of others, the more your needs will be met
